IT SEEMS

A black and white manga-style illustration of a woman with long dark hair, crying with her mouth wide open. She is wearing a dark t-shirt with the word "Grown" visible. Three speech bubbles are positioned around her head, each containing a line of text. The background is a textured, stippled grey.

MYSELF!

I'M

HONEST EYES,
"I LIKE YOU."

Making of “Cupid II”.

This is the part where the author talks. Or just says random things. Please enjoy.

【Love】 chapter 86:

"Asou-san, weren't you the one who demanded rules for our relationship?!"
 I can nearly imagine Agawa-san saying that if he ever hears her. I guess this line shows Asou-san has matured.

【The night he was acting funny】 chapter 86:

A reference to volume 3! ...Rawr.

【You seem to have a bigger appetite than usual】 chapter 86:

When Asou-san first met Rena, she was already taking kisses from Agawa-san. So this is the first time that Asou-san sees how much appetite Rena has when she runs out of ACS enzyme.

【if something bad happens to me】 chapter 89:

I wonder if Agawa-kun's been living with the heavy responsibility that "my life and death aren't just my own concern any more" ever since the day he decided to give Rena the ACS enzyme for the rest of his life. While it's admirable that he's a man of integrity, let's see what happens in the next volume... The series finally ends in its eleventh volume.

..... Making of "Cupid". To be continued.
